JERUE

Vision · Mission · Values
Celebrating over 50 Years

VISION:

To be recognized as solution specialists through the multiplication of our services, systems, and standards throughout North America.

MISSION:

To exceed customer expectations by providing value-added solutions and services focused on innovation and quality.

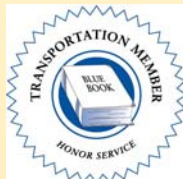

CORE VALUES:

Teamwork: Encourage individual initiative and the collective contributions of a diverse and talented group of employees, our most valuable resource.

Integrity: A personal commitment to do what is right, fair, and just in every aspect of business and the courage to stand firm in that commitment.

Excellence: Our customers expect us to meet their needs and our commitments to them, but we strive to exceed them.

Results: Unwavering determination to meet the needs of our customers and to address their concerns professionally and consistently.

Transportation · Logistics · Distribution

Trusted for years.
Accountable every day.™

Jerue Headquarters, Lakeland, FL

Celebrating over 50
Years
Serving the Produce
Industry

John J. Jerue Companies is a leader in Produce transportation. For over 50 years, Jerue Companies has served a multitude of clients, working tenaciously to ship product via the most direct route, at the lowest possible cost, all with reliable carriers who have long-standing relationships with Jerue agents. Our carriers deliver an array of product from frozen food to produce.

Personal service, commitment, experience, and quick pay are the hallmarks of **John J. Jerue Companies**. Our professional team works together diligently to call into our computerized processing center. Highly trained agents partner with you and assume responsibility for the careful management and shipment of your product. Complete handling of each shipment, while managed by our team of professionals, includes computerized tracking of every load to ensure accurate accessibility to the details of each shipment.

John J. Jerue Companies is built upon the reputation, integrity, and the vast experience of its staff. Individuals with specialized skills, talents and abilities have assembled into a highly motivated, customer-focused organization ready to offer innovative, creative solutions in step with today's rapidly changing technology. We are inspired by successful results and work hard to win your favor and retain it.

Contact **John J. Jerue Companies** today and tell us about your unique transportation needs. Allow us an opportunity to explore new options and serve your needs, partnering to assist you in the successful growth of your business!
